Letter no 582 dated 17.11.49 from the Secy, G.E.C. Bangalore recommending that the pay of the part-time officers may not be charged to the funds at the disposal of the committee and requesting the orders of Govt in the matter.

The entire cost of the establishment of Gopala Rao Enquiry committee was ordered to be recovered from the funds at the disposal of committee (vide G.O. No. 1397-98/C/B. 51-49-1 dated 11.8.49) Accordingly a Sum of Rs 57,797-11-3 being the establishment charges to end of June 1949 has been recovered from the funds of the committee.

2 Further it has been directed that the entire expenditure incurred by Govt on the G.E.C. be realised from the committee out of the funds collected from the ~~disposal~~ creation of Sri Gopala Rao it has been directed that the full salary in case of whole-time officers and officials and half the salary in case of part-time officers during the period of their employment on the committee should be recovered from funds (vide G.O. No. 3959-60/C.B. 51-49-3 dated 29

Recovery of half salary of part-time officers of G. E. C. from the funds at the disposal of the committee.

3 The Secy, G. E. C. has reported that the salary and establishment charges of the whole-time staff will amount to a pretty big sum and that it will be difficult on the part of the committee to meet half the charges of the part-time officers of the committee also, as the balance of funds on hand after the payment of the first dividend of annas four in the rupee to all creditors of Sri B. N. Gopala Rao is low. It is stated that a further and final dividend of at least 0-2-0 is proposed to be paid to the creditors of Gopala Rao.

4 The Secy, G. E. C further states that the pay of part-time officers is being drawn in their respective offices as they were not completely detached from their regular works and that there is no extra cost has been incurred by Govt. on account of their offices working in the committee. under the circumstances, the Secy recommends that the pay of the part time officers of the committee may not be charged to the funds at the disposal of the committee

5 The recommendation of the Secy, G. E. C. is for orders

1) The following officers are stated to be part time officers:—

(1) Rao Bahadur P. Medapa, Chief Justice, H.C. and Chairman of the Committee

(2) Sri. N. V. Babu Reddy, Dy. Inspector General of Police and Secy of the Committee.

The Grand total of the amount of the pay of these officers is Rs 55,141/ and the half of the amount to be recovered comes to Rs 27,570.

2) The Secy of the G. E. Committee has omitted the name of Sri T. Subrahmanya, on the ground that he is not a Govt servant. His pay at Rs 800/p.m. will amount to Rs 16,613-00 from 8.4.48 to 31.12.49. On the statement attached to the G.O.No. 3959-60/C.B. 51-49-3 dated 29.10.49, the name of Sri T. Subrahmanya has been shown as part-time officer. flag 1

In the G.O. No. 3959-60/CB. 51-49-3 dated 26.10.49 orders have been passed to the effect that the full salary

in the case of whole-time officers and officials and half the salary in the case of part-time officers during the period of their employment on the Committee and the allowances paid to Sri S. Nijalingappa as a Member of the Committee be recovered from the funds at the disposal of the Committee. The Secy of the Committee now suggests that the pay of the part-time officers of the Committee may not be charged to funds at the disposal of the Committee. This amounts to reconsideration of the orders already passed and the reasons for the same at set forth in paras 1 and 2 of the P. U. D.

P.U.D.I

15 Subsequently a fair number of whole-time officers and officials have been sent back to their permanent appointments and to that extent there is savings to the Committee. The charges that the Committee has to bear now is not so much as it formerly was. In view of this it does not appear necessary to concede to the present proposal of the Secy.

16) PUD I & II are to explain the reasons for not requesting the Committee to be conceded the amount to be forgone would be Rs 29,570, and if the pay only of Sri. Subramanya is also taken into consideration, another Rs 16,613/-.

17) The criterion for decision of this is true is not the need or expediency to give an addl. "dividend" of as. 0-2-0 to the so-called creditors of B.N. Gopala Rao they are cheats & swindlers, all of them and are not entitled to any consideration, except perhaps the widows, ignorant women & the Govt. has no duty to atone them to restore to these people what they lost in a gamble, and they never took Govt. advice and confidence when they did so; nor did Govt stand guarantee to reimburse them. What Govt. have done so far in getting back some portion of what they gambled away seems more than their due.

18) There does not seem to be any reason whatsoever to reconsider the order already passed.

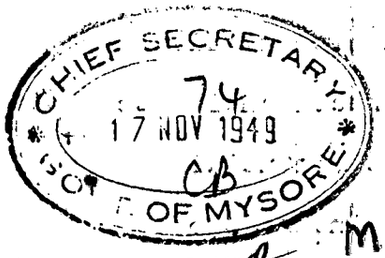
GOPALA RAO ENQUIRY COMMITTEE,
OLD RESIDENCY,

No 582

Bangalore, Dated 17th Novr. ..... 1949.

To

THE CHIEF SECRETARY TO GOVERNMENT,
BANGALORE.



Sir,

Adverting to Government Order No.3959-60/CB 51-49-3 dated 29th October 1949 directing that the salary of the whole-time Officers and officials in full and half the salary in respect of part-time officers may be met out from the funds at the disposal of the Committee, I am desired to state that according to G.O.No.1387-98/CB 51-49-1 dated 11th August 1949 and also as per Comptroller's letter No.A76/A dated 13th September 1949, a sum of -- Rs.57,797-11-3 being the establishment charges to end of June 1949 was paid from the funds of the Committee by means of a crossed cheque in favour of the Comptroller, Governmen of Mysore, on 15-9-1949. The establishment charges that ma be incurred till the end of December 1949 by which date the Committee expects to wind up its work will also be met from the funds of the Committee in consultation with the Comptroller. The salary and establishment charges of the whole-time staff will thus amount to a pretty big sum as they cover a period of nearly 22 months. It will be difficult therefore, on the part of the Committee to meet half the charges of the part-time Officers of the Committee also, as the balance of funds on hand after the payment of the first dividend of annas four in the rupee to all creditors of B.N.Gopala Rao is low. A further and final dividend of atleast 0-2-0 is proposed to be paid, since in the beginning it was expected that the Committee would be able to distribute 0-8-0 in the rupee to the parties and this expectation largely influenced the parties to come out with the

the truth and to reduce their claims to their net losses.

F

Government having in their order No.6055-CB 239-47-1 dated 25th February 1948 constituted a Committee in response to the resolution adopted by the Mysore Representative Assembly at its session held in December recommending to examine certain aspects connected with the financial transactions of Sri B.N.Gopala Rao in the interest of the vast number of the poor public, who were duped by B.N. Gopala Rao, it was the intention of Government then that the charges should be borne by Government. The charges connected with the whole-time establsinment were being debited to 12 General Administration and in respect of part-time officers, their pay is being drawn in their respective offices as they were not completely detached from their regular work, for which no substitutes were appointed. As no extra cost has thus been incurred by Government on account of these Officers working in the Committee, it is but ~~xxxix~~ fair thatthe entire salary of the part-time Officers should be borne by Government.

In view of the above facts and particularly as the Committee is a long drawn one involving large amount on account of the pay of regular full-time establishment which the Committee is prepared to meet from the funds, the pay of the part-time Officers of the Committee may not be charged to the funds at the disposal of the Committee.

But then all committees now adays are long drawn out.

The matter may kindly be reconsidered by Government and final orders obtained in this regard and communicated early.

Yours faithfully,

N.V. Nara Rao
